- *There are no laundry facilities on camp.*
- *There will be the potential for off-camp trips, including though not limited to Campobello Canada. If visiting Campobello you will need to provide a **passport**. Children under 18 only need a birth certificate.*

Notes

Eagle Wing is a technology free camp. We ask that cell phones, laptops, radios, music playing devices, etc. be left in the car. It is our hope that by eliminating these devices, we can protect the camp environment from outside intrusion, so that families may enjoy one another without interruption or distraction.

Parents needing to contact home, work, etc, are asked to do so discreetly.

The camp office is open from 9:00 to 4:30. At times when the office is closed, a recording machine is on and is checked regularly. Parents are encouraged to list the camp telephone number (207-255-3116) as their emergency number.

There is no smoking at camp and alcohol is not served.
